as of April 12, 2018

## July 8, 2018

### Pacifico Yokohama

| | 2F Entrance | 3F 302 | 3F 301–304 | 3F 313+314 |
|---|---|---|---|---|
| AM | | | | |
| | | Workshop for High School Students in Yokohama | | SMBE Council Meeting |
| PM | | TMU International Symposium on Evolutionary Biology | | |
| | Registration | | | |
| EV | | | Welcome Reception | |

## July 9, 2018

### Pacifico Yokohama

| | 1F Main Hall | 3F 301 | 3F 302 | 3F 303 | 3F 304 | 5F 501+502 Foyer | 2F Entrance |
|---|---|---|---|---|---|---|---|
| AM | Opening Ceremony | | | | | | |
| | Nei Lecture Prof. Martin | | | | | | |
| | Break | | | | | | |
| | | SY02: Associate Editors Symposium | SY12: Genomics and evolution of symbiotic interactions | SY31: Tracing back bacterial pathogen evolution from ancient and modern genomics | SY05: Evolution of non-coding RNAs and their regulatory networks | | |
| | | Lunch | | | | Poster Session (Group A) | Registration |
| PM | | SY23: Open Symposium | SY10: Genetic conflict and speciation | SY09: Gene flow detection and dating methods | SY07: Evolutionary genomics of the human brain | | |
| | | Break | | | | | |
| | | SY23: Open Symposium | SY35: Weak forces in genome evolution | SY14: Improving inference frameworks by accounting for population structure | SY29: Somatic mutation and the evolution of multicellularity | | |
| EV | | | | | | Poster Session Core time (Group A) | |

## July 10, 2018

### Pacifico Yokohama

| | 1F Main Hall | 3F 301 | 3F 302 | 3F 303 | 3F 304 | 5F 501+502 Foyer | 2F Entrance |
|---|---|---|---|---|---|---|---|
| AM | Plenary 1 Prof. Kakutani | | | | | | |
| | Fitch symposium | | | | | | |
| | | SMBE Business Meeting | Lunch | | | | |
| PM | | SY15: Integrating ancient and modern DNA for evolutionary genomics | SY34: Virus genome evolution | SY19: Machine learning approaches in evolutionary genetics | SY30: Timing methodologies and applications | Poster Session (Group A) | Registration |
| | | Break | | | | | |
| | | Neutral Theory Symposium | SY32: Transposable elements in gene regulation and genome evolution | SY08: 50 years since Ohno's genome duplication: integration across disciplines and time scales | SY25: Post–transcriptional modifications: functions, diversity, pathogenesis and evolution<br>SY22: Molecular bases of the different forms of flowers on plants of the same species | | |

| | | July 11, 2018 | | | | | | July 12, 2018 | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| | | Pacifico Yokohama | | | | | | Pacifico Yokohama | | | | | | | Yokohama Royal Park Hotel |
| | | 3F 301 | 3F 302 | 3F 303 | 3F 304 | 5F 501+502 Foyer | 2F Entrance | 1F Main Hall | 3F 301 | 3F 302 | 3F 303 | 3F 304 | 5F 501+502 Foyer | 2F Entrance | |
| 8:00 | AM | | | | | | | | | | | | | | |
| 9:00 | | | | | | | | | | | | | | | |
| 10:00 | | SY23: Open Symposium | SY11: Genomic underpinnings of primate phenotypic evolution and diversity | SY16: Intra-host evolutionary dynamics | SY18: Looking beyond the genome: cultural and behavioral drivers of biological evolution | | | | SY03: Ecological genomics | SY06: Evolutionary epigenomics, progress and prospects | SY04: Evolution of adaptive immunity and MHC genes | SY33: Trash to treasure and treasure to trash: invasion, persistence, neofunctionalization, and gene decay in evolution | | | |
| 11:00 | | | | | | | | | | | | | | | |
| 12:00 | | Lunch | | | | | | | Lunch | | | | | | |
| 13:00 | PM | SY23: Open Symposium | SY01: Asian population genomics | SY17: Linking the mitochondrial genotype to phenotype: a complex endeavour | SY21: Microbial evolution: human–microbe interactions and the role of deep sequencing in time series analysis | Poster Session (Group A) | Registration | | SY03: Ecological genomics | SY24: Phylogenomics – genome-scale data and the methods and analyses for phylogeny construction and time estimation | SY20: Mapping genotype and phenotype to fitness | SY28: Selection on complex traits: reuniting quantitative and population genetics | Poster Session (Group B) | Registration | |
| 14:00 | | | | | | | | | | | | | | | |
| 15:00 | | Break | | | | | | | | | | | | | |
| 16:00 | | SY23: Open Symposium | SY13: Human evolution after out-of-Africa | SY26: Predictability of rapid evolutionary processes | SY27: Quantitative genetics of developmental evolution | | | | | | | | | | |
| 17:00 | | | | | | | | Plenary 2 Prof. Stone | | | | | | | |
| 18:00 | EV | | | | | Poster Session Core time (Group B) | | Award Ceremony 2019 Presentation | | | | | | | |
| 19:00 | | | | | | | | | | | | | | | Banquet @Yokohama Royal Park Hotel |
| 20:00 | | | | | | | | | | | | | | | |
| 21:00 | | | | | | | | | | | | | | | |
